to be held in the Palais des Nations, Geneva,
starting at 10 a.m. on Friday, 14 December 1990

1. Adoption of the Agenda.

2. Decision A (45) - The activities of the Economic Commission for Europe: Report of the Special Working Group and recommendations for decision (ECE/AC.19/4).

3. Other business.

4. Report of the Resumed Session.

GE.90-24172 /6228a

EXPLANATORY NOTES TO THE AGENDA

General

1. This Resumed Session of the Commission has been convened in accordance with operative paragraph 1(e) of Commission decision A (45).

2. The basic document of the Resumed Session will be the report of the Special Working Group. Since the Group will only complete its work on 13 December 1990, special arrangements will be made to ensure the issuance of this report for the Resumed Session.

Item 1: Adoption of the Agenda

According to Rule 7 of the Commission's Rules of Procedure, "the first item upon the provisional agenda for each session shall be the adoption of the agenda". According to Rule 8, "the Commission may amend the agenda at any time".

Item 2: Decision A (45) - The activities of the Economic Commission for Europe: Report of the Special Working Group and recommendations for decision (ECE/AC.19/4)

In accordance with operative paragraph 1 of decision A (45), the Commission decided to set up a Special Working Group (SWG), chaired by the Bureau of its forty-fifth annual session, to undertake, in light of the considerations mentioned above, the following:

(a) to define priority areas, according to prevailing needs and circumstances, both at general and sectoral levels, for future action by the ECE, taking into account its fields of competence, the activities of other international institutions and the improvement of conditions for closer co-operation arising from recent changes in the region including the economic reforms in countries members of the ECE, with continued attention to the needs and constraints faced by the member countries which are developing from the economic point of view;

(b) to develop practical measures in these priority areas in order to improve the usefulness of the work undertaken by the ECE in accordance with the invitation addressed by the Bonn Conference on Economic Co-operation in Europe to the ECE;

(c) to elaborate, in sectors not identified as priorities, broad outlines of the work of the Principal Subsidiary Bodies which are relevant to promoting the process of economic reform and to integrating the economies in transition with the global economy;

(d) to redefine, where appropriate, the mandates of the Principal Subsidiary Bodies and to make recommendations for the strengthening, the elimination, merging or creation of Principal Subsidiary Bodies, (which may have implications for the organization of the secretariat), bearing in mind the needs of member States in areas of work of regional interest and mutual advantage;

(e) to make relevant recommendations for decision to a resumed session of the forty-fifth annual session of the ECE to be convened in December 1990.

Item 3: Other business

Item 4: Report of the Resumed Session

The Commission will record the proceedings of its Resumed Session in a report to be approved at the closing meeting.

EXPLANATORY NOTES TO THE AGENDA

General

1. Taking into account the indications given at the forty-fifth session of the Commission (E/1990/41, paragraph 308), the relevant decisions of the Economic and Social Council and subsequent consultations with the Officers of the Commission, the period from Tuesday, 9 April, to Wednesday, 17 April 1991 has been reserved for the forty-sixth session of the Commission.

2. In accordance with Rule 3 of the Commission's Rules of Procedure, the basic documents referred to in the Provisional Agenda will, wherever possible, be transmitted to Governments "not less than forty-two days before the opening of the session", i.e. not later than 26 February 1991.

3. The Order of Business for the forty-sixth session of the Commission is annexed hereto. It has been drawn up by the Executive Secretary in accordance with established practice, pursuant to the relevant decisions of the Commission, noting in particular the results of the resumed forty-fifth session. The necessary practical arrangements have been made for the setting up by the Commission of the Sessional Committee (paragraph 9 of Commission resolution 5 (XXIV)).

4. As is customary, the Executive Secretary will deliver an opening statement.

5. The Executive Secretary intends to make the necessary arrangements for an advance distribution of any draft resolutions or decisions which might be submitted to the secretariat by their sponsors prior to the session. The texts of draft resolutions submitted during the session should be communicated to the Executive Secretary at least 24 hours before the item comes up for discussion in order to enable him to examine their financial and other implications and to report thereon, as is his duty, to the Commission before the resolution is adopted.

Item 1: Adoption of the Agenda

According to Rule 7 of the Commission's Rules of Procedure, "the first item upon the provisional agenda for each session shall be the adoption of the agenda". According to Rule 8, "the Commission may amend the agenda at any time".

Item 2: Work of the Commission as a whole since the forty-fifth session

This item provides an opportunity for general statements by delegations on the work of the Commission as a whole since the forty-fifth session.

(a) The Commission's activities and implementation of priorities since the forty-fifth session

For the consideration of this subitem the Commission will have before it the Executive Secretary's report prepared pursuant to Commission resolution 2 (XXV) and decisions A (45) and O (45) on the Commission's activities and implementation of priorities since the forty-fifth session (E/ECE/1228).

(b) Work of the Principal Subsidiary Bodies of the Commission

In accordance with established practice the consideration of this subitem will take place in two stages:

(i) The Sessional Committee will examine in detail the reports of the Principal Subsidiary Bodies; the discussion of each report will, wherever possible, be introduced by the Chairman of the body concerned. 2/

(ii) The Chairman of the Sessional Committee will deliver a statement to the Plenary on the outcome of the deliberations of the Sessional Committee (see the Provisional Order of Business). His report will include a summary of discussion of subitem 2(b).

The discussion under this subitem will be based on the reports of the Commission's Principal Subsidiary Bodies during the period under review. Reports have been or will be circulated to Governments as follows: 3/

Senior Advisers to ECE Governments on Energy (seventh session)	ECE/ENERGY/15
Committee on Agricultural Problems (forty-second session)	ECE/AGRI/112
Chemical Industry Committee (twenty-third session) 4/	ECE/CHEM/77
Coal Committee (eighty-sixth session)	ECE/COAL/121
Conference of European Statisticians (thirty-eighth session)	ECE/CES/36
Senior Advisers to ECE Governments on Environmental and Water Problems (fourth session)	ECE/ENVWA/18
Committee on Housing, Building and Planning (fifty-first session)	ECE/HBP/80
Inland Transport Committee (fifty-third session)	ECE/TRANS/85
Senior Advisers to ECE Governments on Science and Technology (eighteenth session)	ECE/SC.TECH/39

2/ As in the past, the secretariat will make available informally to the participants at the Sessional Committee the texts of these introductory remarks in the language in which they are delivered.

3/ No additional distribution of these reports will be made but a sufficient number of copies will be available to delegations in the Conference Room for reference purposes.

4/ In accordance with Commission decision O (45) the Committee has been transformed into a Working Party which will report directly to the Commission.

Senior Economic Advisers to ECE Governments (twenty-sixth session)	ECE/EC.AD/36
Steel Committee (fifty-eighth session) 4/	ECE/STEEL/72
Timber Committee (forty-eighth session)	ECE/TIM/54
Committee on the Development of Trade (thirty-ninth session)	ECE/TRADE/173

* * *

Working Party on Electric Power (first session)

Working Party on Gas (first session)

The former Committees on Electric Power and on Gas were transformed into Working Parties under a new Committee on Energy in accordance with Commission decision O (45) adopted on 14 December 1990. As such the reports of the meetings of the new Working Parties on Electric Power and on Gas would normally be submitted to the Committee on Energy and not directly to the Commission. Since their first sessions will take place, however, during the transitional period leading up to the forty-sixth session of the Commission, their reports will be made available for consideration at that session to enable the Commission to review work carried out under the auspices of the former Principal Subsidiary Bodies. Subsequently, the reports of these Working Parties and of the Working Party on Coal will not be submitted directly to the Commission for review.

(c) Co-operation and co-ordination of activities with other international organizations

The Executive Secretary's note E/ECE/1229 submitted under this subitem will contain an account of developments concerning the co-operation of the Commission and its secretariat with other international organizations during the past year, with particular emphasis on those active in the ECE region in the assistance to countries in transition to a market economy.

(d) Resolutions bearing on the work of the Commission adopted by the Economic and Social Council and the General Assembly

The Executive Secretary's note E/ECE/1230 will contain appropriate references to relevant resolutions adopted by the Economic and Social Council and the General Assembly during the period since the close of the forty-fifth session of the Commission which call for action by the Commission or otherwise have a bearing on its work, taking into account the special needs and situation in certain member States.

(e) Commission's contribution to the United Nations programmes designed to assist developing countries

For the consideration of this subitem the Commission will have before it the Executive Secretary's note E/ECE/1231 in which an account is given of the progress made in the work of the Commission and its secretariat in the past

year in respect of technical co-operation projects executed by the ECE against extra-budgetary funds and of co-operation with the other regional commissions on matters of common interest.

Item 3: Review of the economic situation in Europe

Under this item the Commission is expected to consider and discuss the economic situation in Europe. In order to enable the Commission to concentrate on key problems of economic policy and of international economic co-operation, it is suggested that delegates, in their statements under this item, devote particular attention to major economic problems and developments in their country and to the international aspects thereof.

In order to facilitate discussion of this item, the secretariat will prepare and transmit its Economic Survey of Europe in 1990-1991 (ECE(46)/1) as well as Volume 42 of the Economic Bulletin for Europe. The Survey will contain the regular current review of economic developments in Europe in 1990-91.

In their statements under this item delegates may wish to avoid, as far as possible, giving detailed information on developments in their individual countries. It is hoped that delegations will give such information in writing, and those wishing to do so are invited to transmit their statements to the secretariat as early as possible (preferably in about 50 copies) so that these may be distributed to the participants at the session.

Item 4: Follow-up action on relevant Commission decisions:

(a) The work of the Commission concerning economies in transition in Eastern and Central Europe (Commission decision D (45))

This item will be discussed in both Plenary, as part of the general debate, and in Sessional Committee together with the work of the Senior Economic Advisers to ECE Governments (Agenda item 2(b)). For consideration of the item the Commission will have before it the note by the Executive Secretary (E/ECE/1232) containing an account of progress made in organizing practical workshops on transition to market economies, and in ensuring close collaboration with other international organizations active in this field.

(b) Climate change (Commission decision E (45))

In considering this item the Commission will have before it the report of the Executive Secretary (E/ECE/1233) prepared pursuant to paragraph 3 of decision E (45). This report will contain a review of the Commission's programmes, activities and discussions bearing on the relationship of human activities and the climate, taking into account the results of the Second World Climate Conference.

(c) Statistical activities (Commission decision F (45))

The Commission will have before it for consideration of this item the report of the Executive Secretary (E/ECE/1234) prepared pursuant to paragraph 9 of decision F (45) which will contain an account of progress made to implement this decision. This item will be discussed together with the work of the Conference of European Statisticians (Agenda item 2(b)).

(d) ECE's contribution to the implementation of the International Decade for Natural Disaster Reduction, including earthquake prediction (Commission decision G (45))

The Commission will have before it for consideration of this item the report of the Executive Secretary (E/ECE/1235) prepared pursuant to paragraph 5 of decision G (45). This subitem will be discussed together with the work of the Senior Advisers to ECE Governments on Science and Technology (Agenda item 2(b)).

(e) The Report of the World Commission on Environment and Development (Commission decision H (45))

In considering this item the Commission will have before it the report of the Executive Secretary (E/ECE/1236) prepared pursuant to paragraph 8 of decision H (45) which contains an account of the Commission's contribution in the areas of the economics of sustainability, sustainable energy use and sustainable industrial activity, as well as the outcome of the Regional Conference at the ministerial level, held in Bergen (Norway) from 8-16 May 1990. The Ministerial Declaration and the Joint Agenda for Action adopted by the Conference will be made available to the Commission.

(f) Co-operation in the field of environmental protection and water resources and in the field of long-range transboundary air pollution (Commission decision I (45))

In considering this item the Commission will have before it the report of the Executive Secretary (E/ECE/1237) prepared pursuant to paragraph 11 of Commission decision I (45). The report will contain an account of ECE activities in implementation of this decision since the forty-fifth session. The subitem will be discussed together with the work of the Senior Advisers to ECE Governments on Environmental and Water Problems (Agenda item 2(b)).

(g) Co-operation in the field of transport (Commission decision K (45))

In considering this item the Commission will have before it the report of the Executive Secretary (E/ECE/1238) prepared pursuant to paragraph 11 of Commission decision K (45) which contains an account of ECE activities in the implementation of this decision since the forty-fifth session. This subitem will be discussed together with the work of the Inland Transport Committee (Agenda item 2(b)).

(h) Economic co-operation in the Mediterranean in the light of the Final Act of the Conference on Security and Co-operation in Europe (Commission decision L (45))

This item will be discussed in Plenary. In considering it the Commission will have before it the report of the Executive Secretary (E/ECE/1239) prepared pursuant to paragraph 8 of Commission decision I (45). The discussion of this item the Commission will also have before it the Executive Secretary's report on Agenda item 5, with particular reference to the Meeting on the Mediterranean held in Palma de Mallorca (Spain) from 24 September to 19 October 1990.

(i) Standardization and related activities (Commission decision M (45))

The Executive Secretary's report (E/ECE/1240) prepared pursuant to paragraph (d) of Commission decision M (45) will contain an account of action taken to implement this decision since the forty-fifth session.

(j) Engineering industries and automation (Commission decision N (45))

The Executive Secretary's report (E/ECE/1241) prepared pursuant to paragraph 4 of Commission decision N (45) will contain an account of action taken to implement this decision. For consideration of this item the Commission will also have before it the report of the eleventh session of the Working Party on Engineering Industries and Automation (ECE/ENG.AUT/46).

(k) The activities of the Economic Commission for Europe (Commission decision O (45))

In considering this item the Commission will have before it the Executive Secretary's report (E/ECE/1242) on measures taken to implement decision O (45).

Item 5: Activities of the Economic Commission for Europe to implement the pertinent provisions of the Final Act of the Conference on Security and Co-operation in Europe (CSCE) and other CSCE documents, including the Charter of Paris for a New Europe

This item will be discussed in Plenary as part of the general debate. In accordance with paragraph 4 of resolution 1 (45) the Commission will have before it for the consideration of the item the report of the Executive Secretary (E/ECE/1243) on ECE attendance at the CSCE Meeting on the Mediterranean held in Palma de Mallorca (Spain) from 24 September to 19 October 1990, as well as his contribution within the existing resources and drawing on the experience of ECE to the meeting.

Pursuant to paragraphs 2 and 3 of resolution 1 (45) the Commission may wish under this item to take into account, for the future work of its Principal Subsidiary Bodies, the pertinent provisions of the Final Act of the Conference on Security and Co-operation in Europe and the Concluding Documents of the Madrid Meeting 1980 and the Vienna Meeting 1986, including the Sofia Meeting on the Environment and the Bonn Conference on Economic Co-operation in Europe, which call for multilateral implementation within the framework of the ECE, as well as the Charter of Paris for a New Europe.

Item 6: The future work and activities of the Commission and proposals in regard to all-European co-operation, particularly in priority sectors, priority tasks, general priorities and guiding principles

This item will be discussed in Plenary as part of the general debate. The Commission will have before it for the consideration of ths item a report by the Executive Secretary (E/ECE/1244) on the work of the Commission and its subsidiary bodies since the forty-fifth session in priority sectors, namely economic analysis, environment, statistics, trade facilitation, especially EDIFACT, and transport, as well as priority tasks, such as transport of

dangerous goods, and general priority, namely assistance to countries in transition to a market economy and their integration with the global economy, and sustainable development as a guiding principle.

Item 7: Programme of work for 1991-1995

For the consideration of this item the Commission will have before it the Executive Secretary's note E/ECE/1245 on its programme of work for 1991-1995.

Item 8: Other business

The Executive Secretary has, at the time of writing, no other business to submit under this item except the question of the date and place of the forty-seventh session of the Commission, with regard to which he intends to follow the established practice. Pursuant to paragraph 3 of Economic and Social Council resolution 1894 (LVII) the Executive Secretary also intends to indicate to the Commission, towards the end of its session and in the light of the decisions taken in the course of its forty-sixth session, the main lines along which the Provisional Agenda for the forty-seventh session will be drafted.

Item 9: Election of Officers

According to Rule 13 of the Commission's Rules of Procedure, as amended at the forty-second session, at the closing meeting of its forty-fifth session the Commission elected Mr. Olli A. Mennander (Finland) Chairman and Mr. Andrei A. Ozadowski (Ukrainian SSR) Vice-Chairman of the Commission's forty-sixth session.

The Commission also elected Mr. Alexandre Sytchev (Byelorussian SSR), Chairman and Ms. Jutta Wolke (Germany) Vice-Chairman of the Sessional Committee.

Item 10: Annual Report of the Commission

A draft of the Introduction, Chapter I (Issues that require action by, or are brought to the attention of, the Economic and Social Council) and Chapter II (Work of the Commission since the forty-fifth session) of the Annual Report as well as a note on arrangements for the preparation of the remainder of the Draft Report will be circulated by the Executive Secretary (ECE(46)/D.Rep.1). The draft of Chapter III of the Annual Report, which will contain an account of the proceedings of the Plenary and the Sessional Committee, will be prepared, as usual, in the course of the session by rapporteur(s) to be appointed by the Commission and assisted by the secretariat.

ANNEX

PROVISIONAL ORDER OF BUSINESS FOR THE FORTY-SIXTH SESSION OF THE COMMISSION

In accordance with the established practice for the allocation of items of the agenda for consideration by the Plenary or the Sessional Committee, it is proposed that:

(i) Items 2(a) and (c) to (e), 5 and 6 be discussed together in the Plenary.

(ii) On the occasion of the setting up of the Sessional Committee the Chairman will propose to the Commission that subitems 2(b), 4(b) to (g), 4(i) to (k), as well as item 7 be allocated for preliminary consideration by the Sessional Committee.

(iii) Item 4(a) will be discussed both in the Plenary and in the Sessional Committee.

To avoid an overlap with the general debate in the Plenary, scheduled for Tuesday and Wednesday, 9 and 10 April, consideration of the work of the subsidiary bodies dealing with activities in the five priority areas established in decision O (45) has been scheduled to start after the conclusion of the general debate (i.e. Thursday, 11 April).

The Sessional Committee will take into account any suggestions concerning draft decisions which might be put forward on any items by the Executive Secretary in the relevant documents, and will thereafter recommend decisions for consideration and adoption by the Plenary.

The Chairman of the Sessional Committee, when reporting to the Plenary on the outcome of the deliberations of that Committee (during the resumption of the general discussion under items 2, 4, 5, 6 and 7), will transmit these recommended decisions to the Plenary for subsequent adoption.

The Plenary will thereafter consider and adopt decisions on the relevant items.
